## THE EXCHANGE FAMILY CENTER CALLS FOR VOLUNTEERS TO STRENGTHEN THE DURHAM COMMUNITY AND TRANSFORM LIVES

DURHAM, N.C. – The Exchange Family Center (EFC) is looking for passionate individuals who want to volunteer at an organization whose mission is to better the lives of children. Volunteers play a pivotal role in advancing the organization's efforts to support families of the Durham community.

“The impact of volunteering extends far beyond the walls of our organization,” says Leah Santibañez, the organization’s executive director. “It strengthens the fabric of our community, fosters a sense of belonging, and empowers individuals to make a tangible difference in the lives of others.”

At EFC, volunteering is not just about giving but also gaining. Volunteers often find that their experiences are profoundly enriching. It provides opportunities for personal growth, skill development, and fulfillment from knowing they contribute to something greater than themselves.
